

Night hike on sailboat in Bosa.

Night hiking is the adult version of sneaking out of the house. You get all the excitement but with virtually no chance of being caught and grounded upon your return. The stars and planets are close overhead; a savagely beautiful and uninhabited world lies below you feel less a hiker than an astronaut.

Trip Program:

20.00. Board Hansiosa in Bosa marina. Meet the crew, visit the boat and receive a short briefing on the rules to be followed on board and the rules of safe navigation.

20.15. Departure. Depending on weather conditions, we'll sail to the Columbargia tower or to Managu harbour.

21.00. After anchoring, you'll have time for a refreshing swim in the sea (mask and flippers are available to borrow) while Hansiosa's talented hostess is preparing for a glass of chilled local Vermentino or Cannonau wine and some typical snack. A moka coffee or a local liqueur are served before midnight.

07.00. Wake up. Coffee, milk, juice, yogurt, fruit, cookies, bread, cheese and salami for breakfast.

07.30. Return to Bosa Marina.

08.15 . In port. Hope to see you again soon!!!!
